

MEMBERSHIP APPLICATION

The launching of our new website is part of the refocusing effort the BAS alumni association is taking to alert alumni of its existence and to reach out and connect with more Brownsville Area School District (BASD) classmates, teachers, friends and the Brownsville community. Visit the BAS Alumni Association website today at: <http://basalumni.org>.

Most alumni are trying to connect with Brownsville classmates through the BASD website, Classmates.com, Facebook, MySpace, etc. Our new web site offers a centralized place strictly to reconnect with and communicate with those people from the Brownsville Area Schools (Brownsville HS, Brashear HS, Brownsville Area School, Redstone HS, etc.) Compared to the annual fees one must pay for other alumni websites, the BAS alumni lifetime **\$50 membership fee** (to include spouse) is nominal and will provide registered alumni access to all the features our website offers. By simply perusing our Home Page, you can see all the various features that are available to members. The membership fees and/or donations will be used to maintain this professional website provided by Alumni Channel, pay for hard copy mail distribution, internal expenditures, and future planned BASD scholarship funding. You may also become a member online by using our credit card system.
